Name: _____ Hour: _____ Date: _____

The Progressives Respond

Who were the progressives, and how did they address the problems they saw?

Directions: For each of the three sections fill in the flowchart below.

1. In the first box, list at least three problems that were identified in the section.
2. In the second box, describe at least three proposed solutions or strategies for addressing these problems.
3. In the third box, list at least two enacted reforms or solutions in response to these problems.
4. Finally, in the last box, give the progressives a letter grade (A – E) for how well they addressed these problems. Also, list at least two reasons in support of your grade.

Progressives Fight for Social Reforms – Chapter 17, Section 3
